Fallon, known as the “Oasis of Nevada,” is the county seat of Churchill County, located approximately one hour east of Reno.

Churchill County is one of the nine original counties that were created in 1861 when Nevada was formed from the western lands of the Utah Territory during the Civil War. Officially incorporated in 1908, Fallon is also home to the United States Navy’s Top Gun Flight School at Fallon Naval Air Station.

With a population of approximately 9,000, Fallon is known for its agriculture, natural beauty and outdoor recreation. It is surrounded by farms, ranches and the Lahontan Valley wetlands that includes the Stillwater Wildlife Refuge, a birder’s paradise. In addition, it is home to nearby Sand Mountain, a natural wonder resulting from the remnants of Prehistoric Lake Lahontan. The dune at Sand Mountain is approximately two miles wide and 600 feet tall and draws visitors from far and wide who enjoy ATV and dirt bike riding, sand boarding, camping and other activities.

Fallon is also known for its abundance of special events including the 9/11 Annual Memorial Event, Community Reunion, Concerts in the Park & Parades, Cantaloupe Festival & Country Fair, Spring Wings, and the Fallon Fights. The 3C Event Complex is a large events arena with seating capacity for up to 3,000, ready to host many of Fallon’s large events including but not limited to various rodeos, festivals, concerts and more.

Most notably, The City of Fallon takes an active role in remembering 9/11, and holds an observance event each year to honor the first responders and military personnel - as well as the men and women who died as a result of this fateful day.

Among Fallon’s other noteworthy attractions and programs are the Churchill Arts Center, the nation’s first 9/11 memorial site in the Courtyard behind Fallon City Hall, and the Live Local Fallon program, which encourages local patronage of businesses, events and services.

WELCOME to Fallon!

As Mayor and a life-long Fallon resident, I want to personally welcome you to the City of Fallon. It has been my honor to serve as Mayor of a city that I believe still retains the small-town neighborliness of a tight-knit community, while welcoming new residents with open arms.

Inside this packet you will find a number of brochures with useful information on your new hometown. We know that moving can be a daunting task. The hassle of putting down new roots is compounded by trying to learn how to hook up internet service, what events to attend in an unfamiliar town and how to introduce your children to a new school.

That's why we've put together this packet. We want you to start off on the right foot in Fallon, and we tried to make it easy by putting in your hands a brief description of community services to make your transition seamless — detailing our schools, hospitals, events and utilities.

We're proud of the community we have built here in Fallon and we are proud to welcome you as a new resident. We hope this helps you get to know us a little better. We look forward to having you as one of our neighbors.
